2023-2024

INSTITUTE VISION

To be a Global Leader in Imparting Quality Technical Education to produce competent technically innovative Engineers imbued with research aptitude, Entrepreneurship and Social responsibility.

INSTITUTE MISSION

- i. To Nurture the Students with Fundamental Engineering Knowledge enriched with Technical Skills.
- ii. To Create a Conducive Environment to nurture innovation and interdisciplinary Research.
- iii. To Develop Professionals through Innovative Pedagogy Focusing on Individual Growth, Discipline, Integrity, Ethics and Social Responsibility.
- iv. To Foster Industry Institution Partnerships Leading to Skill Development and Entrepreneurship

DEPARTMENT VISION

To strive towards excellence in electronics and communication engineering through Teaching, experimental learning and research to meet industrial and societal needs.

DEPARTMENT MISSION:

M1: To provide appropriate facilities and environment for effective teaching-learning process.

M2: To create interdisciplinary research ambience on nurture innovative and research skills.

M3: To incorporate interpersonal skills, professional integrity, ethics and societal responsibility.

M4: To imbibe entrepreneurship skills and leadership qualities.

ABOUT DEPARTMENT:

The Department of Electronics and Communication Engineering has been playing a vital role in producing quality engineers ever since it was established in the year 2007. The department runs one under graduate program and two post graduate programs to cater to the ever – changing needs of technical excellence in all areas of electronics and Communication Engineering such as VLSI & Embedded Systems, Telecommunications, Signal Processing etc. The intake for Under Graduate Program (B.Tech) is 120. The department also offers Post Graduation programs with specialization in Digital Electronics and Communication Systems (DECS) with an intake of 18 and VLSI & Embedded Systems Design with an intake of 24.

PROGRAM EDUCATIONAL OBJECTIVES:

PEO1: Graduates of the program will have strong fundamental knowledge in electronics and communication Engineering, analytical, critical reasoning and problem-solving skills to develop innovative solutions (Continuing Education).

PEO2: Graduates of the program will be professionally progress in electronics, communication, signal processing, VLSI, embedded systems and related areas with an inclination towards R&D and lifelong learning (Excellence in Career).

PEO3: Graduates of the program will have entrepreneurship skills, leadership qualities to work with Diversified team in multidisciplinary environment (Leadership and Multi-disciplinary).

PEO4: Graduates of the program will be professionally deft and intellectually adept to develop solutions to complex engineering problems with professional ethics and societal responsibility.(Contribution to Society).

PROGRAM SPECIFIC OUTCOMES:

PSO1: Design problems related to Electronics, Communications, Signal processing, and VLSI and Embedded systems.

PSO2: Analyze and solve the complex Communication Engineering problems in architecture design and computer networking.

PSO3: An ability to use modern software tools to analyses, synthesize and evaluate VLSI and Communication Engineering systems for Multidisciplinary.

Message from the Chairman

It's been a real pleasure to know that the Department of ECE is hosting their first ever National Level Technical Symposium "NEWS LETTER", and I am glad to hear that it is being organized wholly for the students with guidance of the staff members. Such combined effort is always encouraged and bring out good results.

The Department of "Electronics and Communication Engineering" has always conducted activities which help in Development of students into leaders; I hope "NEWS LETTER"2023-2024 is a huge success and adds the history of the department

With Regards

Dr.K.V.Subba Reddy, Founder&Chairman,
Dr.K.V.Subba Reddy Institute of Technology,
Kurnool-518218.

Message from the Correspondent

I feel very proud that the Department of ECE is Organizing nation all technical symposium “NEWS LETTER on 2024. The 21st century is advancing rapidly by multipronged scientific inventions and discoveries in the Electronics and Communication Engineering is playing the vital role in all scientific developments. The has Com that without Electronics and Communication Engineering nothing is going to move I this universe. In this perspective the contribution the development of society by this department is vital in all sphere of life.

I heartily wish the staff and students of the department in their endeavor to bring in a house magazine which will otherwise contribute to the highest learning of this magnificent engineering.

With Regards

Smt.S.Vijaya Lakshamma,

Secretary & correspondent.

Dr. K.V.Subba Reddy Institute of Technology,

Kurnool- 518218

Message from the Principal

Dear Friends, Greetings from DR.KVSRIT, Kurnool. Engineering is a human activity aimed at creating new artifacts, algorithms, processes and systems that serve humans. An engineer seeks to create what never did exist. It is a privilege in any one's career to embark on engineering education. At Dr.K.V,SubbaReddy Institute of Technology, our vision is "To be a Global Leader in imparting Quality Technical Education to produce Competent, Technically Innovative Engineers imbued with Research Aptitude, Entrepreneurship and Social Responsibility. On the academic front, we have provided the best quality class rooms, laboratories, and library facilities. We have taken utmost care while recruiting the faculty and staff. The campus boasts well-furnished hostels, sports ground, gymkhana, large auditorium, canteen, first-aid, and an open theatre.

With Regards

Dr.J.Kanna Kumar,

Principal

Dr.K.V.Subba Reddy Institute of Technology,

Kurnool- 518218,

Message from the HOD

The Department of Electronics and Communication Engineering believe in imparting excellence in education by keeping our students in pace with industry demands. The department is equipped with best lab facilities having latest software and hardware to provide industry-oriented knowledge to our students. The Department consists of highly, energetic, dynamic, well-experienced, qualified as well as young faculty members who also work as mentors to turn students to professionals by grooming their technical skills as well as their innovative capabilities

With Regards

Dr.M.V. Sruthi,

ECE-HOD

Dr.K.V. Subba Reddy Institute of Technology,

Kurnool- 518218,

FRESHER'S PROGRAM:

First year students of Dr. K V Subba Reddy Institute of Technology participated in Fresher's Program along with students at Seminar Hall of Block 1. The program was inaugurated by Chairman Dr. K. V. Subba Reddy, Principal Dr.J.kanna kumar, Vice Principal Dr.G.Thirupathi Reddy, Associate Professor of ECE Dept Dr.M.V.Sruthi, Associate Professor of CE Dept Om Prakash , and Professor of CSE Dept. Dr. Dhanraj and other dignitaries.

KITES PROGRAM ON 28th FEB 2024:

In Dr.Kvsrit college Department of Electronics and Communication engineering was conducted a National level Technical Symposium KITES 2K24 Program was inaugurated by principal Dr.J.Kanna Kumar and the HOD Of the Department ECE Dr.M.V.Sruthi and Secretary madam S.Vijaya Lakshamma and our chairman Dr.K.V.Subba Reddy sir other Dignitaries and Professors of the ECE Department .

As per the culture of Dr.K.V.Subba Reddy college of Engineering & Technology Engineering every academic year Department of Electronics & Communication Engineering organizes inter college technical fest for the aspirants assembling from various engineering colleges with a very high competitive spirit to participant and with the strong determination to include their achievements& accomplishments to their papers.

These fests are organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. The event was successful enough to attract as many as 30 registrations across the zone for a two-day national level fest which includes all the events.

Students are actively participated in all the events and presented their work. The fest executed with a total of 11 events planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering.
