

Faculty Name: Dr C. Pullaiah

Faculty Photo:

Faculty Description:

Dr. C. Pullaiah completed his Ph.D. in Physics in the field of studies on polymers: preparation and characterization of alkali metal salts and ceramic oxides doped polyethylene oxide in Sri Krishnadevaraya University, Anantapur. He has 12 years of teaching experience in Engineering colleges after his doctorate. He taught Engineering Physics and applied physics for engineering graduate students. He attended more than 10 seminars, conferences, and faculty development programs.

Profile Tab:

Qualification

Qualification	Institution	Year
Ph.D (Physics)	Sri Krishnadevaraya University, Anantapur	2009

Experience

Designation	Institution	From	To
Professor	DRKVSRIIT, Kurnool	2019	Till Date

Responsibilities Tab:

✓ Working as a faculty

The following responsibilities are carried out as a faculty

- Teaching regular Course Work
- Mentoring the Students
- Continues research

Teaching Tab:

Expertise / List of subjects handled

- Engineering Physics
- Applied Physics

Research Tab:

Research Interest

- Polymers
