NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SETFORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

Clause 2

SCOPE OF THE MOU

Both parties believe that close co-operation between the two would be a major benefit to enhance their skills and knowledge.

The Second Party will give valuable inputs to the First Party in teaching/training methodology so that the students fit into the industrial scenario meaningfully.

The interaction between both the parties will give an insight into the latest developments /requirements of the companies; the Second Party to permit the Faculty of the First Party to visit its institutions and also involve in Training Programs for the First Party. The training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.

The First Party will train the students of the Second Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.

The Second Party will extend the necessary support to the First Party to deliver guest lecturers to the students on the technology trends and in house requirements.
